Sweetwater Alliance is an all-volunteer, grassroots organization. We have no paid staff, nor are we funded by large grants or wealthy donors. In our line of work, we understand that no one is going to take care of us except ourselves. Membership is our biggest financial lifeline.

We have three kinds of membership.

General Membership (\$5-25/year)

Our general membership is designed for those that want to be Sweetwater supporters but do not have an active chapter in their area. While not participating in the day-to-day activity of a Sweetwater chapter, you may want to attend actions or events when they come to your region, stay informed of Sweetwater campaigns, and support the group with a financial contribution.

___ \$5/year ___ \$10/year ___ \$15/year ___ \$20/year ___ \$25/year

Chapter Membership (\$5-25/month)

The chapter membership is geared toward people that want to be involved regularly with an active chapter in their area. As a person invested in your chapter's success, you are committed to sustaining the work of your group with your time, energy, and a monthly contribution.

___ \$5/month ___ \$10/month ___ \$15/month ___ \$20/month ___ \$25/month

Sustainer Membership (Open-ended contribution)

Short on time, but still wanting to pitch in, our Sweetwater Sustainers aren't about to see a gutsy, winnable campaign go down for lack of resources. You realize that even the most grassroots campaigns need support, and you're willing to do your part to ensure other Sweetwater members have what they need to win.
